Staff

A Physician, Nurse Practitioners, Registered Nurses, and Licensed Practical Nurses are your health care team members. They are linked to physicians at the SAVAHCS, Tucson campus, using "Telemedicine," a state of the art telecommunications system that allows the team members and their patients instant access to the resources of the larger medical center.

Dental and Optometry

Dental will continue to provide services on a scheduled basis each month at the Yuma Proving Ground.

Laboratory Services

Point of care lab testing capabilities are available on site. More complex laboratory tests are sent to the SAVAHCS Tucson. Overnight mail service connects the two facilities, allowing rapid reporting on most diagnostic tests.

Speciality Care

Subspecialty care and inpatient care for enrolled patients will continue at the Southern Arizona VA Health Cares System.
